

# FINANCIALS CHEAT SHEET FOR NEW CUTTIME USERS

Tame your financial tracking and accelerate your cash flow. Welcome to a simplified dashboard for logging program costs, seeing online payments, adding manual cash, check, or program credits. We've made it easier for Guardians to read their account statements, pay online and solicit donations.

## ACCOUNT BALANCE STATEMENTS

You can print a program member's statement if needed

## COSTS

You can create a single, one-off cost for unique obligations such as an accessory replacement, or audition or registration fee as well as an 'bulk costs' for recurring expenses like cleaning fees, and transport

## PAYMENTS

If your Account Administrator has set up Stripe Connect, your members can pay their fees and other obligations via credit card. You can also log a manual payment for any cash, checks, or other 'program credit'

## DONATIONS

Members can easily 'share costs' and request small donations online from family & friends with a few quick taps - great for birthdays and holidays

## REMINDERS

Automatically sent the first of the month to outstanding balance holders
