

FINANCIALS CHEAT SHEET FOR NEW CUTTIME USERS

Tame your financial tracking and accelerate your cash flow. Welcome to a simplified dashboard for logging program costs, seeing online payments, adding manual cash, check, or program credits. We've made it easier for Members to read their account statements, pay online and solicit donations.

ACCOUNT BALANCE STATEMENTS

You can print a program member's statement if needed.

COSTS

You can create a single, one-off cost for unique obligations such as an accessory replacement, or audition or registration fee as well as an 'bulk costs' for recurring expenses like cleaning fees, and transport.

PAYMENTS

If your Account Administrator has set up Stripe Connect or Vanco, your members can pay their fees and other obligations via credit card. You can also log a manual payment for any cash, checks, or other 'program credit'.

ONLINE FUNDRAISING & STORES

Programs can connect to our sister platform, Simple Raise, to quickly spin up online fundraisers and manage their product and service sales through stores.

REMINDERS

Automatically sent the first of the month to outstanding balance holders.
